But due to Covid-19 it was postponed and celebrated on 4th December, 2021.

Prayer of the programme was lead by Mr. Thulithong, General Secretary DBCK Students' Forum.

Welcome address was given by Mr. Geetchandra, Librarian of DBCK and he delivered his speech about the importance of library. A **library** is a repository of knowledge - a place loaded with books, periodicals, newspapers, manuscripts, e-reading materials and so on. Librarian plays an important role in maintaining library and library is an important place to keep students to have reading habits.

Fr. Christu Das, Director of Bosco Computer Centre, as a guest of honour of the programme he delivered his speech and highlighted the quotation "Today's Readers are tomorrow's Leader". One should read books and other materials to acquire knowledge. Unless one reads and get in touch with the mass media, it is difficult to know what is going around us. Not only that, a student has to read books, other than his text books, so that the area of thinking and acting will become broader. 'Reading to learn' is an essential tool for life-long learning. Promoting a reading culture among students is therefore one of the key tasks in the curriculum reform with the aim to strengthen students' learning capabilities.

Mr. Geetchandra, Librarian of DBCK distributed the certificated of best reader awards to Mr. Temjononen Longkumer, 5th Semester, Political Science, Department and Ms. Izeni K. Wotsa, 5th Semester, English Department.

Agenda of the Mentoring Sessions:

The mentoring sessions for the 2nd, 4th and 6th semesters were held from January 27th- 29th 2022. The mentoring sessions were held offline and students were informed of the same. Some mentors conducted group mentoring and some conducted one to one sessions with the mentees.

For this mentoring session, some themes that were discussed include goals and resolutions made for the on-going new semester. Most students shared that they will study harder and perform better for the new semester and put more effort in their academic related activities. Discussions were also done on long term and short term goals. Students were encouraged to consistently maintain and work on their goals they have set. Time management was also discussed with the mentees to which most of them committed to set a timetable for their studies and manage their time wisely at college and even at home.

Other topics discussed:

- Performance in the last semester exams
- Offline classes, Class notes and Upcoming activities
- College class timings

Issues raised by the mentees:

- Lack of motivation and commitment
- College timing too early (80% of the mentees views, from Morning shift students, shift 1)
- Difficulty in maintaining study routine
- Lack of focus
- Much time spent on their mobile phones
- Transportation Problem

Suggestions given and Issues resolved:

- With respect to their time management, students were advised to sleep early ,get up early and set aside a proper timetable for their studies.
- Mentees were advised to avail the transportation provided by the college authority
- With respect to the morning shift timing (7:30am), such concerns will be conveyed to the college authority.
- Positive feedbacks and encouragements were given for those lacking motivation and focus.
- Suggested the mentees to self-assess from time to time, take care of their health and be sociable.

Reflection on the 1st mentoring:

The mentors made efforts to resolve the issues raised and encouraged mentees to approach their mentors for any concerns or problems. The First mentoring sessions were held according to plan and it was a success.

A total of 3 teachers and 55 students undertook the field trip.

Psychology

The 2nd Departmental activity was held on 21st March, 2022. For the activity, the Department conducted a field visit to Tabitha Enabling Academy (TEA) - An Institute for children with special needs, Located at Sepfiizou Colony Kohima and run by two OTS Alumni Vekutilu Vese and Asanuo Seb, currently the headmistresses of the institution. TEA was established in the year 2012 and is an unaided non-profit organisation. It is now a full-fledged school functioning with 6 classrooms and 2 other rooms for non-teaching activities. The school has a total of 12 teaching and non-teaching faculties with 25 differently-abled students.

The aims and objectives of TEA are: Conscientizing the people that children with special needs are capable of living a normal life, providing equal opportunities for their development, providing programs for specific learning disabilities, dealing with challenges such as speech or language impairments, mental retardation, hearing and visual impairment, autism and down syndrome.

Some of the facilities available are: Physiotherapy, vocational training, craft making, pottery, occupational therapy/daily living skills, personal hygiene, home-based education, Indian Sign language, speech therapy and spiritual education through learning from the Bible, pictures and songs.

The students were made to visit the different classrooms and interact with the teachers and students as well as observe them. They also visited the vocational training room where few students with severe disabilities were made to engage in tailoring and stitching. It was observed that the vocational students were well trained and were able to stitch products such as shopping bags, aprons, hot-pot mats etc. The products they make are put to sale and 10% of the total amount goes to the student's welfare account. Our students also helped them by purchasing few products.

The students had a fruitful interaction with the students and teachers and also took down notes as they interacted. They also interacted with the headmistress and she stressed on the need for more trained special education teachers and the need to sensitize both parents and the community of the prevalent disabilities and also showing acceptance by providing love and care to children with special needs.

The Department of psychology had an enriching field visit which was both beneficial and informative. The department also provided fruits to the students and it was a memorable experience.

2-30 June 2022: Internship Report

This is an internship report done by Keneisa Sothu, Shojila Kihomong, Veciselu Lohe, Thejakhriezo Innocent, Tawemu Trakha, Ruokuophre-o Keyho and Sakuo Keyho of 3rd semester, B.Com, Don Bosco College, Kohima. The internship started on 2nd June 2022 and ended on 30th June 2022.

Arintin Venture is a Private Limited company located in Navodaya Vidyalaya Rd. There are 11 members in this company and Kikrusetuo John Pienyu is the MD and founder and currently managing

all the activities of the company. It is a pig farm where we interned; currently they are rearing 75 pigs and is planning to increase the pigs from 75 to 200 by the end of this year. The company is also coming up with their own feed plant production which is probably going to set up and start running by next year.

During this internship, we have accumulated various experience and wider new knowledge through activities and task that had been assigned to us. We also acquired knowledge for our future career guidance. We were able to put our knowledge and skills into practice which have enhance the development of our working experience. We did so many hard labour activities like; cleaning the pig house, carrying firewood, clearing forest for the site of production of pig food, etc., Apart from the works we also enjoyed a lot communicating with them.

Working with Arintin Ventures during the one month of internship was quite interesting and we learned a lot. We express deep and sincere gratitude to our Principal and Teachers for giving us an opportunity to explore our professionalism.
